Interested in marketing your products, services, and agricultural innovations to over 800 farmers, managers, and agricultural industry professionals from Hawaii? Reach various agricultural groups in one place - we invite you to participate in the 2008 Hawaii Agriculture Conference: *Growing With Intention*.

2008 Hawaii Agriculture Conference: *Growing with Intention* is scheduled for September 4 & 5 at the Hawaii Convention Center. The All Ag Day is on Thursday Sept. 4, 2008. On Friday Sept. 5, 2008, three additional events are occurring: **13th Annual Hawaii MIDPAC Horticultural Conference: *Strengthening Our Industry Through Knowledge*; Bioenergy Master Plan: *A Conversation with Hawaii's Agriculture Sector* and Growing the Next Generation: *a Partnership with Future Farmers of America***. Both days will be organized and promoted together. 2008 Hawaii Agriculture Conference will feature Keynote Speakers, Seminars and Workshops, a 2-day Tradeshow and Poster Exhibit, and, of course, the wonderful Hawaii Food and Agriculture Products Luncheon.

Hawaii farmers, ranchers, flower growers, exporters, researchers, government leaders and administrators and other industry members will attend sessions featuring conversations and learning about Change, Innovation and Sustainability.
